ATR VERDICT: With Red Rocks, Ask, Tartan Bearer and Al Kazeem on the roll of honour, this race usually goes the way of a high-class type. Although there are slight concerns that the trip may be a shade on the sharp side, it is hoped the combination of this stiff track and his obvious class can pull Great Voltigeur winner TELESCOPE through this reappearance assignment to land the spoils. The main danger may be Sky Hunter, who has placed at the top level in France for Andre Fabre and now debuts for a new trainer. Noble Mission is talented but frustrating, while Contributer and Robin Hoods Bay have enjoyed recent success on Polytrack but need to step their form up another notch now taking on stronger opposition.

Top Tip: TELESCOPE
Watch out for: SKY HUNTER
