ATR VERDICT: SPECTATOR can be a little bit tricky but Oisin Murphy got a fine tune out of Andrew Balding's charge at Chester last time and that same partnership looks one to have onside again. Cosette was back to something like her best form when only narrowly touched off at Salisbury recently and she shouldn't be far away, while Sebastian Beach comes into this having enjoyed a really good summer so far.

Top Tip: SPECTATOR
Watch out for: COSETTE
