ATR VERDICT: EXCEED EXPECTATIONS maintained his progression when adding another C&D success to his name with a comfortable victory last month. Despite a subsequent 5lb rise in the weights, he looks worth sticking with and can go in again. Charter made a promising return to action when fourth at Kempton two weeks and he should still have more to offer, while Marjong has been knocking on the door in recent weeks and is entitled to make her presence felt once again.

Top Tip: EXCEED EXPECTATIONS

Watch out for: CHARTER
