**ATR VERDICT:** This contest has been won by some useful sorts in recent years and that is likely to be the case again with high class hurdlers DUKE OF NAVAN and Urban Hymn both exciting additions to the chasing ranks. The latter has looked a chaser from day one and he remains open to tons of improvement with only five career starts under his belt, but the two mile trip could be the deciding factor here and Nicky Richards' charge should have too much speed for his chief rival. A smart bumper/hurdles performer, the Greystoke handler is sure to have him well schooled prior to his first start over fences and the forecast testing conditions will pose no problems whatsoever. Morning Royalty might be able to beat Ubaltique into third spot.

**Top Tip:** DUKE OF NAVAN

**Watch out for:** URBAN HYMN
