**ATR VERDICT:** A more competitive contest than last year when a 1/20 shot cosily landed the spoils for Dan Skelton and this looks like a tricky puzzle to solve. Zeroeshadesofgrey may appreciate a return to the larger obstacles after a disappointing effort over hurdles at Cheltenham last month, while Mr Mix should appreciate this slightly better ground after pulling up in the mud at Sandown a fortnight ago. OMESSA HAS improved markedly on her second start of the season to finish fifth in a competitive event at Kempton in December and she looks built for chasing. In receipt of a mares' and weight-for-age allowance, she rates as the one to beat.

**Top Tip:** OMESSA HAS

**Watch out for:** MR MIX
