**ATR VERDICT:** FLY HOME HARRY was clearly not at his best when well beaten at Leicester on his most recent start but he had won back-to-back events over this C&D in November and it is too soon to be writing him off. Dawnieriver is another who put together a sequence of victories earlier in the campaign and she should find this race easier than the event she contested at Cheltenham last time out. Azert De Coeur is another to note in an open event.

**Top Tip:** FLY HOME HARRY  
**Watch out for:** DAWNIERIVER
