**ATR VERDICT:** A BIT OF GINGER benefitted from being ridden handily when second over 1m at Kempton last time and is expected to show up well now dropping back to this shorter trip. With many in the field back from absences, a market check is recommended before siding with any of the returning contingent, from which Hellomoto, who sports first-time cheekpieces, and John Quinn's Breaking Free are two of the most interesting.

**Top Tip:** A BIT OF GINGER  
**Watch out for:** HELLOMOTO
