ATR VERDICT: Carter McKay took a backwards step when down the field in the Cheltenham bumper last month and he is yet to convince at this level, while once-raced debut winners Dell Oro and Paloma Blue will surely find this task too hot to handle on just their second starts. Fayonagh quickened in emphatic fashion to score in the showpiece bumper event at Prestbury Park last month but she looked to have a hard race and could find her stablemate POLI ROI too good. Gigginstown rarely showcase their runners in such events and the 300,000 pounds purchase couldn't have been much more impressive when scoring on his debut under Rules at Navan in February, oozing class and skipping clear effortlessly. Someday is another to take seriously.

Top Tip: POLI ROI

Watch out for: FAYONAGH
