Long Handicap: Formidableopponent 9 - 13

ATR VERDICT: Value At Risk wears a first-time tongue-tie in addition to his cheekpieces but is yet to fully convince over the larger obstacles and could be worth taking on once more. Fergal O'Brien often targets this meeting so Mystifiable has to be respected, though preference is for SPECIAL CATCH, who has been going well since joining Malcolm Jefferson and shaped well at Newcastle earlier this month when second. The 10-year-old could have one more decent victory in him this spring and a mark of 139 might still be within his grasp.

Top Tip: SPECIAL CATCH
Watch out for: MYSTIFIABLE
