**ATR VERDICT:** Back To Balloo has been knocking on the door since scoring at Fakenham including a second here over track and trip and has to be respected, while Copt Hill was an admirable performer when with Tracy Waggott and could outrun his forecast odds on his second start for Julia Brooke with blinkers tried. However, a tentative nod in a trappy affair is given to MORNING TIME, who showed his liking for this venue when landing a blow over course and distance last time and represents the Grand National-winning trainer Lucinda Russell.

**Top Tip:** MORNING TIME

**Watch out for:** BACK TO BALLOO
