ATR VERDICT: STRONG RESEMBLANCE ran a lot better on his second outing over timber when runner-up to Its Pandorama here last month and the son of Tikkanen doesn't need to improve much to get off the mark for a local trainer with a fine Cartmel record. What Happens Now looks a solid danger on his third to Monbeg Legend at Worcester, while Whispering Affair looks best of the remainder.

ATR VERDICT: BEENO improved from his first outing here when winning comfortably by five lengths over C&D at the end of last month and merits the utmost respect off a 7lb higher mark for the shrewd Kenneth Slack team. He is taken to reverse form with Lough Kent, who has won his last two at the track and comes here in excellent form, while Ravens Hill merits respect on his handicap debut having won two races over timber already.

Top Tip: BEENO

ATR VERDICT: Several of these arrive in excellent form but none more so than BORUMA who has won his last two outings over course and distance which, as a result, has seen him rise 15lb in the weights but he could prove capable of further improvement. Royal Village has won his last two maiden hurdles in good style and has to enter calculations on his handicap debut, while Doubly Clever and Nautical Nitwit complete the shortlist.

ATR VERDICT: ENDEAVOR has a good record at this track and he is taken to bounce back to form today. The veteran won over C&D back in May and he arrives here just 6lb higher in the ratings this afternoon. Rhythm Of Sound has to be respected following two good runs in recent weeks, including a second-placed finish at Southwell last Sunday, while Yourholidayisover and Dica are also noted.

ATR VERDICT: Plenty of these arrive here with claims but none more so than SHADY GLEN, who won well at Market Rasen last time out from just 5lb lower in the ratings. Brother Scott is an obvious danger following his C&D victory at the end of last month, while Prettylittlething and Sergeant Pink are others who merit a place on the shortlist for this contest.

ATR VERDICT: CRUISING BYE came late and fast at Southwell but the post came too soon for him to follow up a battling Bangor success. Hopefully, he'll not get too detached here and still produce a strong late challenge. Bafana Choice has been running solidly since the move from hunter chases but Miss Joeking looks the main danger on the back of an improved effort when a Hexham scorer latest. McLaren Vale and More Madness are also considered in an open affair.

ATR VERDICT: INCLUDED lacks the experience of more battle-hardened rivals but really impressed when putting a useful sort in Polly's Pursuit to the sword with impressive ease last month on her second start over timber. She seems sure to progress again and could turn into a useful sort over hurdles. Gold Chain is the sole C&D winner on show and that counts for a lot around this idiosyncratic venue while A Touch Of Sparkle is on a fair mark and has more to offer.

Top Tip: INCLUDED

Watch out for: GOLD CHAIN
