ATR VERDICT: DARK POWER bolted up over this trip at Nottingham last time and although the handicapper has reacted with a 9lb rise, there should be further improvement to come for a handler who excels with his sprinters. Pennsylvania Dutch reverts to sprinting after an experimental run over 7f at York backfired last time out. He can scrap it out for the silver medal with Scofflaw, who attracted support at Thirsk last weekend and can now race off a 2lb lower perch.

Top Tip: DARK POWER (1)

Watch out for: PENNSYLVANIA DUTCH (2)
