ATR VERDICT: This can go the way of CAT SILVER, who relished a drop to this trip when landing the odds at Windsor four weeks ago. The four-year-old also enjoyed the application of first-time cheekpieces and fast ground on that occasion, so a lack of rain would be a positive for the former Sir Michael Stoute-trained gelding. Musical Comedy returned to form when second last time out, while Mulzim, Picture Dealer and In The Spotlight complete the list of likely contenders.
