ATR VERDICT: INGLEBY MOLLY followed up her C&D victory with a head defeat in second here last time and is seemingly thriving at present. She's been raised 5lb since but remains on an upward curve and is expected to show up well from a low draw. Peggie Sue went down by a head off this rating at Brighton last time and should go well if transferring that form back into this sphere, while Brockey Rise has slipped to a handy mark and is also worth a market check now sporting first-time blinkers.

Top Tip: INGLEBY MOLLY (2)
Watch out for: PEGGIE SUE (1)

ATR VERDICT: MICRONIZE left behind his moderate novice efforts when fourth on his handicap debut over 5f at Ayr last time and is one to keep on the right side of, off the same mark, now the penny has seemingly dropped. Macho Lady finished sixth behind the selection in Scotland last time but has a wider draw to contend with here. Recent Lingfield third Wolstonbury offered more last time and could also take a hand if his wide berth can also be overcome.

Top Tip: MICRONIZE (3)

ATR VERDICT: THREE LITTLE BIRDS scored with plenty of authority off 6lb lower over track and trip when last sighted and is expected to take plenty of stopping as she bids to notch a double. Laubali is 4lb higher than when striking over 6f here on his penultimate outing so bigger dangers may be recent C&D second Go Sandy and Brandy Station, who picked up the silver medal off 2lb higher over this trip at Newcastle when last sighted.

ATR VERDICT: EYELOOL always looked to be doing enough in the finish when scoring over this trip in maiden company at Epsom last time and is expected to remain competitive off an opening mark of 79 now going handicapping. Gunforhire went down by under a length at Newbury last time and is considered the main danger off an unchanged mark. The pick of the remainder may be the consistent Critical Data, who makes his handicap bow.

ATR VERDICT: The lightly-raced MOVING FORWARD has improved between runs in maiden and novice company and is expected to step up on his Windsor third last time now making his handicap debut. Blooriedotcom has been off the track since scoring over 1m2f at Haydock in May and is worth a market check on his return from a break, while The Throstles, raised 7lb for scoring over track and trip latest, is unlikely to be far away at the finish either.

ATR VERDICT: AL MUREIB makes some appeal on his 7f debut second at Newmarket and although the drop back to 6f seemingly backfired at Goodwood last time, better is expected from the Dubawi colt, who is out of a Dalakhani mare, now he is stepped up in distance. Bo Samraan should be all the wiser for the experience gained on his debut at Sandown, while there could be better to come from recent Lingfield fifth Bug Boy now he's granted a stiffer test.

ATR VERDICT: MOJIKA was beaten a short head in a handicap at Chester last time but the experience gained is unlikely to have been lost on her and she could feasibly go one better now returned to novice company. Lunar Corona was having her first start since undergoing wind surgery when scoring over C&D and is feared most, though With Good Grace offered some encouragement when fourth at Wolverhampton.
