**ATR VERDICT:** Best Trip is a capable polytrack sprinter on his day but has been struggling for form of late and needs to prove his effectiveness over this longer trip. Last Sovereign has sharpened up his fitness with a couple of recent spins on the all-weather and the booking of Jimmy Fortune for the Ollie Pears yard catches the eye. Nevertheless, MARAJAA remains the one to beat. The selection has been turned over in claimers the last twice but hasn't been beaten far on either occasion. Effective under these conditions, he will go close if running to his mark. Mambo Spirit won't be fazed by the return to 7f and makes most appeal of the remainder.

**Top Tip:** MARAJAA

**Watch out for:** MAMBO SPIRIT
