**Timeform says:**
- Back to winning ways in big-field 5f handicap at Glorious Goodwood in July. Even better than result when neck third of 11 at same course last time (left with too much to do) and needs considering. (Forecast 9.00)
- Back to winning ways in 5f heavy-ground claimer at Hamilton in August, but hasn't manage to reproduce that in 3 handicaps since, though not disgraced when fifth at Wolverhampton on Monday. (Forecast 17.00)
- Won twice on AW during winter and finally exploited lower turf mark in 19-runner handicap at Doncaster last month. Well held at Ayr since and consistency not been strong suit of late. (Forecast 26.00)
- Moved to winning mark now and better signs when going well long way over 6f last time. Back at best start of last month. This certainly more competitive but should give it her usual good efforts together these days. (Forecast 51.00)
- Well backed when making a winning start for this yard at Sandown in July, but not repeated that form in 3 starts since. (Forecast 41.00)
- Only 6f maiden win on the scoreboard, but has run with credit of late, including a second here last month. Handles the mud and no reason he won't be in the shake-up again. (Forecast 10.00)
- Winning mark now and better signs when going well long way over 6f last time. Back at best start of last month. This certainly more competitive but should give it her usual good efforts together these days. (Forecast 51.00)
- Spared run from break. Was a respectable third over the same C&D when last seen in late July. Faces more testing ground on return from break. (Forecast 26.00)
- Form good when seventh at Ayr last month and probably found run coming too soon when well held at Hamilton 2 days later. (Forecast 26.00)
- Back to winning ways in big-field 5f handicap at Glorious Goodwood in July. Even better than result when neck third of 11 at same course last time (left with too much to do) and needs considering. (Forecast 9.00)

Jockey Colours: Beige, black seams, striped sleeves and star on cap

Timeform says: Form taken off of late, winning maiden/handicap over 5.7f here before completing hat-trick easy success at Windsor on Monday. Penalty won't stop her if in similar form here.***** (Forecast 3.00)

Long Handicap: Charming 8 - 5

TIMEFORM VIEW: Gladiatrix goes up in grade now but she absolutely bolted up in the mud at Windsor on Monday and is hard to oppose in her bid for the 4-timer. Macdollion and Time Medicean come here in good form and are a couple of others who should go well.

Timeform 1-2-3:
1: GLADIATRIX
2: MACDILLON
3: TIME MEDICEAN
