**Jockey Colours:**
- Red, white cross belts, light blue sleeves and cap
- Dark blue, yellow chevron hoop, yellow cap
- Lavender, black hoop, armlets and cap
- Red, royal blue sleeves, white armlets
- Emerald green, yellow hoop and sleeves, quartered cap
- Red, white stars on sleeves

**Timeform says:**
- Half-brother to yard's smart miler Thistle Bird. Made promising start in hood when 4 lengths fourth at Newbury (6f) last month and sure to go well if handling softer ground. NON RUNNER. (Forecast 3.75)
- Starting to look exposed after 10 starts but does have a fair level of ability so no surprise to see him add to his string of in-frame efforts here. Already proven in the mud. (Forecast 10.00)
- Made frame both starts in 5f maidens, stepping up on debut when ¾-length second of 15 to Senator Bong at Nottingham last week. Leading player here with further progress likely. (Forecast 2.88)
- Better than result when 9½ lengths fifth of 10 on 6f Newmarket debut in August, travelling well long way. Sure to do better, though testing conditions a slight worry given her very speedy pedigree. (Forecast 4.00)

**Timeform View:**
- Gallema and Lady of The Vine have the potential for better and look the pair to focus on, the fact the first-named is already proven on an easy surface just tipping things in her favour.
- Cost a bit at Breeze-Ups and showed some promise when 8⅓ lengths sixth of 14 to Heading North on last month's 7½ Chepstow debut. Shorter trip now but open to improvement. (Forecast 4.00)

**Notes:**
- No(Dr) - Number (Dr) indicates the starting price.

**Notes:**

- **BELLE PARK**
  - Light blue and white check, white sleeves, yellow cap
  - Timeform says: A low-grade handicap but Belle Park arrives at the top of her game and is fancied to come out on top, at the main expense of Authoritarian and Lovage.

- **TIMEFORM VIEW:**
  - 1: BELLE PARK
  - 2: AUTHORITARIAN
  - 3: LOVAGE

**Jockey Colours:**

- **BELLE PARK:**
  - Royal blue, white epaulettes, royal blue sleeves, white stars, royal blue cap, white star
  - Timeform says: Improved to land soft-ground Windsor handicap on return but has failed to build on that since, including in cheekpieces last time. Return to softer conditions may help and blinkers now applied. (Forecast 11.00)

- **AUTHORITARIAN:**
  - Royal blue, white epaulettes, royal blue sleeves, white stars, royal blue cap, white star
  - Timeform says: Has hit form last 2 starts, winning 1¼m handicap here before good second back down to this trip at Chepstow next time. One for the shortlist. (Forecast 34.00)

- **LOVAGE:**
  - Pink, dark blue hoop, checked sleeves and cap
  - Timeform says: Failed to build on early promise for Brian Meehan and well held for new yard since. One-time reliable mare but signs of decline this term and stiff task from 6 lb out of the weights. (Forecast 34.00)

**Jockey Colours:** Dark blue, yellow chevron hoop, yellow cap

**Timeform says:** Not living up to her useful pedigree but continues to perform consistently, in the frame all 3 starts in handicaps this term. Remains relatively unexposed and unlikely to be far way once again.

- White, emerald green hoop

**Timeform says:**

- Fast-progressive handicapper, winning at Yarmouth, York and Newbury on last 3 starts. 5 lb higher than for latest success and, versatile with regards ground, should take all the beating. ******(Forecast 3.25)
- Caught eye a few times in handicaps prior to scoring with something to spare at Newbury in July. Off 11 weeks after that and perhaps just wanting for fitness when second at Pontefract last time. ****(Forecast 8.50)
- Usualy races in rear (can start slowly) and needs things to fall right, as they did when he came from last to first at Kempton last month. Below that form back on turf next time and others preferred. *****(Forecast 11.00)
- Improved when back on the scoreboard in a hood at Ayr (1¼m) in June and held form reasonably well since, third in classified event at Doncaster recently. Place claims here. *****(Forecast 11.00)
- Very smart middle-distance pedigree and ready winner after 17 months off in 11f Kempton maiden in March. Disappointing in handicaps 2 outings since, though didn't handle track at Epsom last time. *****(Forecast 9.50)
- Off mark for the year on soft ground at Goodwood in June. Seemingly flattered when last of 3 in minor event on penultimate start, and ran poorly in heavy ground at Chester last time. *****(Forecast 10.00)
- On an upward curve, placed twice since returning from a break (gelded) to land a maiden at Carlisle in late-July. Latest run easily excused (went off too hard) and remains with potential. *****(Forecast 6.50)
**TIMEFORM VIEW:** It's unlikely that many will overlook him, but it's still hard not to side with Jawhar in this given the way he's progressing. Commend is another who could still be going the right way and rates next best, ahead of Little Rocky.

Jockey Colours: Red and yellow (halved), sleeves reversed, yellow cap, red spots

Timeform says: Missed 2011 but has returned in good form this year, winning a couple of sellers before readily landing handicaps at Leicester and over C&D last month. This better race asks plenty more of him. (Forecast 10.00)
