**Timeform 1-2-3:**
1. KASHMIR PEAK
2. SPIRIT OF THE LAW
3. FORT BELVEDERE

**Notes:**
- **Timeform View:** Kashmir Peak could be suited by the drop back to 1¼m and will probably take a bit of stopping if this doesn't come too soon after his comeback effort at Chester. Spirit of The Law and Fort Belvedere are a couple of others likely to go well.

**Notes:**
- **Timeform:**
  - Built on 3-y-o promise for Luca Cumani for new yard this term, winning 3 times. Improved effort in defeat next 2 starts, but not at best last twice, including in this headgear at Haydock on Saturday.
  - Landed gamble in good style in 9f Ripon handicap last month, but not in quite the same form when fifth over 1m here since. Well capable of bouncing back, though.
  - Built on 3-y-o promise for Luca Cumani for new yard this term, winning 3 times. Improved effort in defeat next 2 starts, but not at best last twice, including in this headgear at Haydock on Saturday.
  - Opened account over this trip at Haydock in May. Good fourth at Musselburgh next time but needs to bounce back from a lesser effort back at Haydock since.
  - Off mark at second time of asking for this yard at Yarmouth in April. Back to useful level of ability for new yard after absence, respectable third over 1m here last time.
  - Pretty useful on Flat in Ireland and took well to hurdling for new yard last winter. Ran well when ½-length second on recent Flat return at Chester and obvious chance off same mark again.
  - Won twice in handicaps last year, including over C&D. Didn't have to be at his best to notch another win in Redcar seller last time and more on his plate back in a handicap.
  - Won at Leopardstown last summer. Plenty of decent efforts since, but not at best last time and has bit on plate here from 7 lb out of weights.
  - Opened account over this trip at Haydock in May. Good fourth at Musselburgh next time but needs to bounce back from a lesser effort back at Haydock since.
