**Timeform says:**
- Has found Grade 3 company too hot the last twice and, though he's presented with a more realistic assignment on handicap debut here, others make more appeal here. (Forecast 21.00)
- Generally acquitted himself well after landing a C&D maiden hurdle last term, but needs to pull out more on return/handicap bow here. (Forecast 13.00)
- Has got his act together in recent months, improved when striking in a 12-runner handicap hurdle at Fairyhouse (2m, good to soft) on Tuesday. Obvious claims under a 4 lb penalty here. (Forecast 8.00)
- Bagged a 19f handicap hurdle here in April and reverts to this sphere after failed to make an impact over fences the last twice. Best form has come on much softer ground. (Forecast 3.25)
- Winner of a maiden hurdle here on debut in March 2013, and solid effort when third of 7 on return with tongue strap applied at Naas (19f, good) last month. Place possibilities. (Forecast 12.00)
- On a 15-race losing run, but nothing wrong with his latest effort at Cork (2½m, soft) where he was fourth of 15 behind Burning Issues. Couldn't rule out of the same mark here. (Forecast 9.50)

**Timeform View:**
- The margin of Snapchat's recent victory at Fairyhouse would have been infinitely smaller had Lindas Choice not exited at the final flight, but he probably would have won in any case and should be capable of following up under a 4 lb penalty here. Hospital resumes in this sphere off a potentially handy mark and looks dangerous, but an even bigger threat could be posed by Wexford winner Bank Bonus.
