ATR VERDICT: This could be a match between Satish and GOING UP, with marginal preference for the latter to make use of his scope for improvement. The three-year-old was well supported at Carlisle last time out but just failed to hold on. He can go one better now as Satish has already been given enough opportunities to strike for John Gosden. Lord Topper could prove best of the remainder after an improved showing at Kempton recently.

Top Tip: GOING UP

Watch out for: SATISH
