ATR VERDICT: COEUR DE BEAUCHENE changed hands for 115,000 pounds after finishing second between the flags in November and is interesting now debuting for powerful connections under Rules. Laverteen, who represents the same owner as the selection, makes some appeal on his debut second over 2m at Fairyhouse and can battle it out with Balkalin, who arguably sets the standard on his Limerick third last spring, for the minor honours.

Top Tip: COEUR DE BEAUCHENE

Watch out for: LAVERTEEN
