ATR VERDICT: His winless run may stretch back to February 2014 but HARRY TOPPER ran a race full of promise in a similar event at Exeter last month and a step up in distance coupled with worsening ground would see Kim Bailey's veteran go very well. O'Faolains Boy has the class to land such an event but he might be using this to prepare for Aintree and he was poor on his seasonal reappearance last time, while Loose Chips is a consistent type who should ensure that this becomes a stamina-sapping test from the front.

Top Tip: HARRY TOPPER

Watch out for: LOOSE CHIPS
