**ATR VERDICT:** Sent off a short price to build on his promising debut effort, TRICORN didn't disappoint as he cruised to a facile success over 7f at Wolverhampton and John Gosden's charge may have been underestimated by an opening mark of 75, with the step up to 1m possibly bringing about further improvement. Faience also got off the mark at the second attempt over this trip at Chelmsford and that form has been boosted by the third and fourth winning since. She rates a serious threat, with Marzouq considered best of the rest.

**Top Tip:** TRICORN

**Watch out for:** FAIENCE
