Last year’s Champion Bumper victor BALLYANDY sets the standard after his Betfair Hurdle success last month and may not have finished improving yet. He is taken to land the opener. Given Willie Mullins’ fine recent record in this event, all his 4 representatives deserve the utmost respect, with Bunk Off Early and Melon looking particularly dangerous.

**Notes:**
- **Timeform says:** Has won all 3 completed starts over fences, but he was very fortunate in Leopardstown Grade 1 last time, looking held when Royal Caviar departed at the last. (Forecast 36.00)
- **Timeform says:** Landed a Punchestown Grade 3 in the autumn but has come up short in his 3 starts since and major surprise if he doesn't find at least a couple too strong again. (Forecast 101.00)
- **Timeform says:** Successful in this contest last season (from 7 lb lower) but hasn't been in quite the same form this term campaigned mainly over hurdles. (Forecast 17.00)
- **Timeform says:** Produces best effort to date when decisively landing Paddy Power Handicap Chase at Leopardstown (24.5f) in December. Runner-up in the Martin Pipe 2 years ago and expected to go well again. (Forecast 10.00)
- **Timeform says:** Largely performed well this season, scoring narrowly at this venue in December and running up to his best when 3 lengths third to Pilgrims Bay at Kempton last time. Current mark sums him up, though. (Forecast 29.00)
- **Timeform says:** Usually contests high-end handicap chase events in Ireland and didn't need to be at his best to justify favouritism in minor company last month. Never involved over unsuitable 2m last time. (Forecast 41.00)
- **Timeform says:** Better than ever when making a winning start for Colin Tizzard in long-distance handicap here in November (27.3f), but disappointed both starts soon after and has something to prove now. (Forecast 34.00)
- **Timeform says:** Dual scorer here over shorter last season and now finds himself back on last successful mark due to a very quiet campaign so far. Wouldn't be a huge surprise were he to bounce back to form. (Forecast 51.00)
- **Timeform says:** Looked an upwardly-mobile chaser when landing valuable handicap at Sandown in April but held when falling on reappearance in the Becher and offered little over hurdles last time. (Forecast 21.00)
Jockey Colours: Yellow, black chevron, black and yellow check cap
Timeform says: Useful hurdler who has taken well to chasing, posting a career best when winning 5-rung handicap at Exeter (24.2f) last month. This is much tougher though, and he may prefer softer conditions.

LP Aspell
Miss E O Lavelle

Jockey Colours: Red, white hoop, red sleeves, white seams, white cap
Timeform says: Enjoyed a fruitful 2015/16 campaign, landing 3 of his 4 starts, and put couple of below-par efforts this term behind him when good second at Ascott in October. Others appear better treated, though.

L Treadwell

**TIMEFORM VIEW:** Noble Endeavor was second over hurdles at the Festival two years ago and produced a career best over the larger obstacles when taking a big-field handicap at Leopardstown last time. He may have more to offer yet and is taken to score. Novices have a good record in this event and Singlefarmpayment lurks on a handy mark. He rates the main danger, with The Druids Nephew and Holywell next best.

**Timeform 1-2-3:**
1: Noble Endeavor
2: Singlefarmpayment
3: The Druids Nephew

**Timeform says:**
- Noble Endeavor: Progressed over fences last season, winning at Leicester (20.2f) on final start, and performed well when second both outings this term. Worth a try at this longer trip and yard remains in fine form. (Forecast 34.00)
- Buveur D'Air: Impressive in competitive handicaps on last 2 starts, particularly when 5-length winner in big field at Ascot in December. Strong-travelling style should be suited to the demands of this race. (Forecast 9.00)
- Ch'tibello: Third to Altior in the 2016 Supreme. Successful over fences first 2 starts this term and didn't come off bridle when making impressive return to hurdling at Sandown last month. Open to improvement. (Forecast 4.50)
- Cyrus Darius: Had a few problems since winning Grade 2 novice at Aintree in April 2015 but showed there's still plenty of ability intact when winning easily at Kelso last month. This a much stiffer test, though. (Forecast 67.00)
- Footpad: Smart hurdler who was placed in the Triumph at this meeting last year and produced an improved effort when chasing home Petit Mouchoir in Irish Champion last time. Bit more needed again. (Forecast 23.00)
- Moon Racer: 2015 Champion Bumper hero who had Bettfair Hurdle winner Ballyandy in behind when winning both starts over hurdles in the autumn (C&D Grade 2 latterly). More scope to improve than most. (Forecast 15.00)
- My Tent Or Yours: Has come up short against some of these rivals in 3 runs this winter but there have been excuses and the fact he's a dual runner-up in this race means it would be no shock to see him fare better now. (Forecast 17.00)

Jockey Colours: Orange and yellow (quartered), diabolo on sleeves, striped cap

Timeform says: Useful mare who bounced back to best when winning 5-runner listed hurdle at Warwick (2f1, heavy) a month ago. Well held in this event last year, however, and would prefer a stiffer test of stamina.

17

Jockey Colours: Emerald Green, Yellow hoops, Emerald Green cap, White star

Timeform says: Quickly made up into a useful hurdler last term, scoring 3 times, but has been below par over fences in recent starts and may find this test less than adequate.

TIMEFORM VIEW: APPLE'S JADE had to do most of the donkey work when beaten by Limini at Punchestown last month and will appreciate the likely stronger pace this contest will be run at. She represents solid each-way value against the much-respected Willie Mullins duo, Limini and Vroum Vroum Mag, both of whom are previous winners at the Festival. Jer's Girl is best of the remainder.

Timeform 1-2-3:
1: APPLE'S JADE
2: LIMINI
3: VROUM VROUM MAG

### JCly colours
- **A GENIE IN ABOTTLE**: Dark blue, red chevron, armlets and diamond on cap
- **ARBE DE VIE**: Pink, light green spots, pink sleeves and cap
- **ARPEGE D’ALENE**: Royal blue, white chevron, white cap
- **BALLYCROSS**: Dark blue, white sleeves, dark blue spots, white cap
- **BELLS ‘N’ BANJOS**: Royal blue, white stars, red sleeves
- **BEWARE THE BEAR**: Dark blue, red cap
- **BIGBADJOHN**: Dark blue, red, orange sleeves, orange cap

### Form
- **A GENIE IN ABOTTLE**: Won 3-runner Aintree novice where all fences were omitted in home straight. Showed smart form in 2 course handicaps after, though below form at Ascot since.
- **ARBE DE VIE**: Third in Albert Bartlett last year. Very much built for chasing, and made most of a straightforward opportunity on debut. Good second start but disappointed since, though he did attract support.
- **ARPEGE D’ALENE**: Brother to Carruthers/half-brother to Coneygree. Fitter for comeback when finally put it all together over fences at Punchestown (2½m) in January and refused at Naas (2½m) last month, making a mockery of his opening mark. High-class chaser in the making.
- **BALLYCROSS**: Improved the last twice over longer trips. Duly in his element in 4m Musselburgh handicap last month, and there are potentially classier types on show, his stamina is assured.
- **BELLS ‘N’ BANJOS**: Smart hurdler who came on markedly for chase debut when winning at Lingfield in January. Disappointed in Towton after (Calett Mad second), and unseated first at Cheltenham now. Talented on his day.
- **BEWARE THE BEAR**: Much better chaser than hurdler. Fell in Sky Bet Chase but quickly back on track when winning Reynoldstown at Ascot last time by short head from Flintham. Certainly worth a try over this trip.
- **BIGBADJOHN**: Much better chaser than hurdler. Fell in Sky Bet Chase but quickly back on track when winning Reynoldstown at Ascot last time by short head from Flintham. Certainly worth a try over this trip.
from Wetherby with a game display at Haydock (20f) last month. Likely to remain in form.

Timeform says:

**Quartered cap**

**Jockey Colours:** Red, large emerald green spots, grey sleeves, red spots, emerald green and red

**Events:**

and resolve last 2 starts. (Forecast 34.00)

**TIMEFORM VIEW:** A GENIE IN ABOTTLE shapes as though he is crying out for this sort of test,

and looks a solid bet against Edwulf and Beware The Bear, who are both unexposed chasers arriving

in top form, but aren't certain to be suited by extreme distances. Bigbadjohn and Arpege d'Alene on the

other hand look all about stamina, and are a couple of other each-way alternatives.

Jockey Colours: Black, orange hoop

**Timeform says:** Came out on top both times he's completed over fences, including when impressive all-the-way winner at Warwick in February. Not himself there last time, however.

(1) **Forecast 29.00**

9 153-31P

**Jockey Colours:** Light blue, royal blue star, white and royal blue check sleeves and cap

**Timeform says:** Already better over fences after just 3 starts, improving markedly when posting borderline smart effort to land Newcastle handicap in December. Not for the first time finished weakly at Haydock since. **(Forecast 29.00)**

8 531411

**Jockey Colours:** Black, pink star, light blue sleeves, pink cap

**Timeform says:** Upwardly-mobile chaser since joining current yard. 2 from 2 and having loads to spare when last seen at Galway in October. Further progress can't be ruled out. **(Forecast 28.00)**

10

**Jockey Colours:** Dark blue, maroon striped sleeves

**Timeform says:** Best effort over hurdles when third in last year's Neptune. Landed 2 of first 3 starts in novice chases' and had feasible excuses next 2 starts. This more suitable from what looks a workable mark. **(Forecast 11.00)**

11

**Jockey Colours:** Black, yellow disc and armlets, white cap

**Timeform says:** Proved a revelation switched to positive tactics over fences, scoring at Clonmel (2m) in December. Suffered back-to-back luckless reverses since, but he will need to avoid the mistakes to figure. **(Forecast 29.00)**

10

**Jockey Colours:** Yellow, dark blue sash, dark blue cap, yellow star

**Timeform says:** Useful hurdler who made a successful debut over fences at Thurles (18f) in December. Found life tougher in Graded novice events since but 2 lb lower than when fourth in last season's Martin Pipe. **(Forecast 21.00)**

14

**Jockey Colours:** Dark blue, red chevron, armlets and diamond on cap

**Timeform says:** Landed third handicap win of an excellent season at Taunton in November, but needs to put a poor run at this course (reportedly blud) behind him. **(Forecast 29.00)**

15

**Jockey Colours:** Orange, black chevron and sleeves, quartered cap

**Timeform says:** More consistent than progressive over fences. Good 15 lengths second of 5 to Westermost Lady in Grade 3 chase at Tipperary last time, but seems vulnerable. **(Forecast 29.00)**

16

**Jockey Colours:** Yellow, purple hoops and armlets, hooped cap

**Timeform says:** Out of sorts over hurdles last term but put up a useful effort to score on return/chase debut at Doncaster (19f). Disappeared next time, and didn't look straightforward in the Pendle latest outing. **(Forecast 12.00)**

17

**Jockey Colours:** Dark blue and white diabol, emerald green and white check sleeves, white cap, red star

**Timeform says:** Useful dual-winning hurdler who made promising start in this sphere when runner-up at Kempton (behind Poker School). Beaten at 6-1 on next time but caught the eye in Warwick Grade 2 latest. **(Forecast 17.00)**

18

**Jockey Colours:** Emerald green, yellow chevron and sleeves, red cap

**Timeform says:** Useful hurdler in Ireland. Solid start for new stable when placed in pair of novice chases here. Not entirely disgraced behind Poker School at Kempton on Boxing Day and given a break since. **(Forecast 23.00)**

19

**Jockey Colours:** Maroon, white star, armlets and star on cap

**Timeform says:** Useful hurdler who had no trouble making a winning debut for Henry de Bromhead in 5-runner novice chase at KIlbeggan 9 months ago. New stable bound to get more out of him as a chaser. **(Forecast 26.00)**

20

**Jockey Colours:** Emerald green and yellow (quartered), white sleeves and cap

**Timeform says:** Made a good start over fences, confirming debut promise when scoring at Uttoxeter (20f). Shaped better than bare result when fourth over C&D in January and he remains open to improvement. **(Forecast 21.00)**

**TIMEFORM VIEW:** BURTONS WELL, one of the least exposed in the field, went powerfully for a long way in a competitive race around here last time and is expected to see things out much more thoroughly on this occasion. He gets the nod ahead of the likeable Foxtail Hill, whose jumping is an asset, with All Hell Let Loose recommended as a more speculative option on his second outing for a new yard.

**Timeform 1-2-3:**

1: BURTONS WELL
2: FOXTAIL HILL
3: ALL HELL LET LOOSE
