ATR VERDICT: Moayadd made it two wins on the bounce with victory over C&D, but it took him a long time to reel in a tiring leader and he's 11lb higher. Jersey Bull holds Goodby Inheritance on their recent meeting at Lingfield and can confirm the form, but this test could prove ideal for ESTIBDAAD. Paddy Butler's charge has run well from the front here in the past and comes into this on the back of a brave effort at Lingfield.

Top Tip: ESTIBDAAD
Watch out for: JERSEY BULL

ATR VERDICT: Both Henry Grace and Shining Romeo failed to back up recent successes here when subsequently running at Lingfield and need the return to this track to get them back into form. Zephyros has been performing respectably at Lingfield but his last run here ended in heavy defeat, so it may pay to side with HALLING'S WISH. Just 1lb higher than when successful here back in October, he showed signs of a return to that sort of form when third at Lingfield last time.

Top Tip: HALLING'S WISH

ATR VERDICT: The handicapper has not been especially kind to Magic Mirror in raising her 6lb for a shock success over a mile here in January, while he has also raised Tidal's Baby a total of 4lb for two narrow defeats. Hipz is up 2lb for her recent near-miss at Lingfield, so it may be worth giving FREDDY WITH A Y another chance. Second off this mark when last running at this track, he was a shade disappointing at Lingfield last time but could be happier over a furlong shorter.

Top Tip: FREDDY WITH A Y

ATR VERDICT: DOUBLE SPIN has been off the track for some time, but she showed up well enough in a novice event here in June and can return to action with victory. Preobrajenska went close in a pair of turf maidens and improved on her Chelmsford outing in December when third at Wolverhampton the following month. Secret Salvage has been a decent third on both starts to date and is another to note, while Reckless Woman and Western Safari are newcomers of interest.

ATR VERDICT: If ASHWAQ returns to action in the same form that saw her miss out by just half a length here in November, she will prove very difficult to beat. Richard Hannon's charge had already gone into plenty of notebooks after a third in a Newmarket maiden on debut and could be too classy for these rivals. Essential made a decent fist of things on his introduction at Chelmsford and has claims, while Tojosimbire could come on for his debut effort when finishing in midfield over C&D.

Top Tip: ASHWAQ
Watch out for: ESSENTIAL

ATR VERDICT: THE WARRIOR's best form has come over shorter than this trip, but the way he ran on for a close-up third at Lingfield last time suggests he could be worth another try at a mile, particularly on this surface. Alejandro won narrowly over C&D and has to be considered a danger despite a 4lb rise, while Gossiping has a 6lb hike to contend with after winning with some authority over C&D in January. Jufn has managed just two starts so far, so has evidently had his problems, but any support for him should be heeded.

ATR VERDICT: TANGRAMM has been out of luck since winning in March last year, but he ran on from an unlikely position to take third at Wolverhampton and that could be an indication that he's starting to hit form again. Elysian Prince was well beaten at Lingfield but has a squeak on the form of his win over shorter prior to that, while Safira Menina ran well under today's pilot over C&D and could be a factor. Light Of Air and Alcatraz are others to note in an open affair.

ATR VERDICT: MUATADEL hasn't been seen since November, but that was a fair effort in a Chelmsford maiden and he returns to handicap company off a 3lb lower mark than when a close third at Carlisle in September 2015. He could flourish in first-time blinkers and is taken to get the better of Athassel, who completed his hat-trick at Chelmsford but is now 16lb higher than when starting his winning spree. K'gari Spirit won nicely at Wolverhampton but is up 7lb here on a different surface.

Top Tip: MUATADEL
Watch out for: ATHASSEL
