| <b>Jockey Colours:</b> Dark blue, royal blue epaulets and armlets, pink cap<br><b>Timeform says:</b> Comfortable winner at Bath in July and, based on the way he travelled when mid-field at Chelmsford last time, this mark isn't insurmountable, so expect him to give another good account. ★★☆☆☆ (Forecast 15.00)   |   |         |  |            | Notes:                         |    |

| <b>Jockey Colours:</b> Emerald green, white hoops, white sleeves, emerald green diamonds, white cap, emerald green diamond<br><b>Timeform says:</b> Lightly raced and getting better this year, successful twice and not beaten far in second at Redcar last time, so certainly one to consider for stable that's been amongst the winners. ★★★★★ (Forecast 5.00) |   |         |  |            | Notes:                         |    |

| <b>Jockey Colours:</b> Grey, pink epaulets, quartered cap<br><b>Timeform says:</b> Improved for the fitting of a visor when landing a C&D handicap (6f) in June and quickly back to form when second at Leicester recently. Vulnerable to less exposed sorts here, though. ★★☆☆☆ (Forecast 12.00)   |   |         |  |            | Notes:                         |    |

| <b>Jockey Colours:</b> Black and yellow stripes<br><b>Timeform says:</b> Quirky sort who put it all together in first-time cheekpieces when winning cosily at Yarmouth last time and boasts obvious claims if headgear continues to have positive effect. ★★★★★ (Forecast 6.00)   |   |         |  |            | Notes:                         |    |

| <b>Jockey Colours:</b> Dark blue, large yellow spots<br><b>Timeform says:</b> Good second at Carlisle (6f) last month and possibly unsuited by very testing ground at Salisbury since. Has cheekpieces on for the first time. ★★☆☆☆ (Forecast 7.50)   |   |         |  |            | Notes:                         |    |

| <b>Jockey Colours:</b> Emerald green, red hoop, hooped sleeves, quartered cap<br><b>Timeform says:</b> Rattled through to score over C&D on second outing for this yard and, while only fourth at Lingfield next time, the feeling is that there's still mileage in him from this sort of mark. ★★★★★ (Forecast 4.00)   |   |         |  |            | Notes:                         |    |

| <b>Jockey Colours:</b> Orange, emerald green stars<br><b>Timeform says:</b> <i>Much improved as she resumed winning ways in dominant style at Leicester (6f) in June. Generally held form well since, but found busy spell catching up with her over C&amp;D last time.</i> ★★☆☆☆ (Forecast 10.00)                  |   |        |   |          | Notes:                      |    |
| <b>TIMEFORM VIEW:</b> GLENAMOY LAD couldn't justify short odds last time but, given the start he's made for Michael Wigham, it would be a surprise if he couldn't add to his C&D success (earlier this month) before the season is out. Muscika and last-time-out winner In The Spotlight present the main dangers. |   |        |   |          |                             |    |
