ATR VERDICT: Met By Moonlight is 6lb higher than when sending off Steve Drowne with a winner here on New Year's Eve and has more on her plate. It might be worth taking a chance on MOSSGO. The selection is proving tricky to catch right but is 4lb lower than his last winning mark and is worth another try over 6f, for all he's typically been campaigned over shorter. Bridge Builder and Strategic Heights are closely matched on their recent course run and have place claims along with the returning Secret Strategy.

Top Tip: MOSSGO (11)

Watch out for: STRATEGIC HEIGHTS (8)
