| <b>TIMEFORM VIEW:</b> Plenty of potential for both the short and long term here. FRENCH CRUSADER caught the eye under a considerate ride at this course last month, and he's a likely improver, especially now back on better ground. Canelo may have benefited from a 2-month break and returns with his stable in good form, while Neachells Bridge has shaped well both starts in bumpers to warrant interest now hurdling. |  |        |  |           |   |   |
