| <b>Jockey Colours:</b> Black, red sash, white sleeves and cap<br><b>Timeform says:</b> Fairly useful in bumpers and quickly reached a similar level over hurdles, landing first 2 starts at up to 20f. Struggled in Gr. 2 C&D event latest but this much more suitable. ★★☆☆☆ (Forecast 12.00)   |   |         |   | Notes:     |                                    |     |

| <b>Jockey Colours:</b> Dark green and red (quartered), white sleeves, dark green armlets, red cap<br><b>Timeform says:</b> Suited by the longer trip when landing first handicap win at Catterick (25f) prior to good second at Cheltenham on New Year's Day. Unseated as tapes went up latest and best treated as still in form. ★★☆☆☆ (Forecast 11.00) |   |         |   | Notes:     |                                    |     |

| <b>Jockey Colours:</b> Royal blue and yellow check, diabolo on sleeves, yellow cap<br><b>Timeform says:</b> Progressive over hurdles in 2016, winning 3 times. Good placed efforts in handicaps over C&D/Catterick in December, but his latest Haydock display was underwhelming. Headgear persevered with here. ★★☆☆☆ (Forecast 15.00)                  |   |         |   | Notes:     |                                    |     |

| <b>Jockey Colours:</b> Black, orange star<br><b>Timeform says:</b> Fairly useful hurdle/chase winner who ended time with previous yard out of sorts. New connections went to £13,000 to acquire him and given a wind operation. Intriguing contender for leading stable. ★★☆☆☆ (Forecast 11.00)  |   |         |   | Notes:     |                                    |     |

| <b>Jockey Colours:</b> Light blue, orange epaulets<br><b>Timeform says:</b> Fair in bumpers, but is already a better hurdler, running best race when second at Haydock (18.8f) in December. Latest Kempton effort was disappointing but too soon to be writing him off. ★★☆☆☆ (Forecast 10.00)   |   |         |   | Notes:     |                                    |     |

| <b>Jockey Colours:</b> Red, black chevrons, grey sleeves, red cap<br><b>Timeform says:</b> Seasoned chaser but looked right at his very best when scoring at Perth (23.8f) in September. Well held at Carlisle the following month but he is at least lower in the weights in this sphere. ★★☆☆☆ (Forecast 15.00)  |   |         |   | Notes:     |                                    |     |

| <b>Jockey Colours:</b> Grey, black epaulets<br><b>Timeform says:</b> Easy winner at Fakenham (20f) in May 2016 prior to showing quirky side at Cheltenham thereafter (refused to race). Back on track when second on belated return at Uttoxeter 11 days ago. Still unexposed★★★★★ (Forecast 6.50)   |   |         |   | Notes:     |                                    |     |

| <b>Jockey Colours:</b> Emerald green and white (quartered), black sleeves, white cap<br><b>Timeform says:</b> Gradually got his act together over hurdles during 2016, winning twice at up to 19.8f. Lightly raced under both codes since, yet he ought to strip fitter for a recent spin on all-weather. ★★☆☆☆ (Forecast 17.00)   |   |              |  |              | Notes:                               |     |

| <b>Jockey Colours:</b> Orange and grey diabolo, grey and orange diabolo on sleeves, grey cap, orange diamond<br><b>Timeform says:</b> Winner of 20f handicaps at Southwell in March and October and looked like one still ahead of his mark when runner-up at Wetherby (3m) latest, travelling strongly but idling/hanging under pressure. ★★★★★ (Forecast 7.00)   |   |              |  |              | Notes:                               |     |

| <b>Jockey Colours:</b> Dark blue, yellow diamond and sleeves, royal blue cap, red diamond<br><b>Timeform says:</b> Left in front when landing 6-runner handicap chase at Perth in July 2016. Unsurprisingly shaped as if needing first run for 19 months when fifth of 20 over C&D last month and this will reveal more. ★★☆☆☆ (Forecast 26.00)  |   |              |  |              | Notes:                               |     |

| <b>Jockey Colours:</b> Royal blue, yellow epaulets, yellow sleeves, royal blue stars, yellow cap, royal blue star<br><b>Timeform says:</b> Ex-pointer who improved as expected for his debut, albeit somewhat fortunate on 2 counts to make it second time lucky at Musselburgh (19.3f) in December. Still he's low mileage and in good hands. ★★☆☆☆ (Forecast 12.00)  |   |              |  |              | Notes:                               |     |

| <b>Jockey Colours:</b> Emerald green and yellow (quartered), white sleeves and cap<br><b>Timeform says:</b> Point winner who showed fairly useful form over hurdles in 2014, but failed to complete all 3 starts in chases initially this season. Switch back to hurdling failed to spark a revival latest. ★★☆☆☆ (Forecast 34.00)   |   |              |  |              | Notes:                               |     |

| <b>Jockey Colours:</b> White, red cross belts, royal blue and white halved sleeves, royal blue cap<br><b>Timeform says:</b> Signed off last term with victory in a Wincanton handicap (21.3f) in April, albeit seen to maximum effect having been granted the run of the race. 4 lb higher ahead of return. ★★☆☆☆ (Forecast 17.00)   |   |              |  |              | Notes:                               |     |
| <b>TIMEFORM VIEW:</b> A winner on his return to action at Southwell, EARLY RETIREMENT arguably should have followed up at Wetherby in November, notably travelling well but idling and headed final 100 yds. Still, that effort suggests he's still on a fair mark and he gets the narrow vote. Ceporine got back on track at Uttoxeter 11 days ago and remains unexposed, while Work du Breteau and Classic Ben are also respected. |   |              |  |              |                                      |     |
