ATR VERDICT: CULPABILITY appreciated the step up from a mile when scoring over this trip at Chelmsford, seemingly benefitting from the fitting of blinkers as well, and is expected to give another good account in the retained headgear. Native Appeal was only narrowly beaten at Lingfield, despite hanging, and should be thereabouts if putting it all in at the finish. Guvenor's Choice, who has recently undergone wind surgery, is also worth a market check.

ATR VERDICT: TIME TO BLOSSOM took a keen hold when stepped up to 1m6f at Chelmsford, but she had previously won over 1m4f at Kempton and, now 4lb higher, she is taken to return to winning ways in the hope she'll settle better now dropped back in trip. Henpecked has been raised 4lb for scoring over track and trip when last sighted but is considered the main danger ahead of Eyes On Asha, who won here over 1m on debut.

ATR VERDICT: A cracking turnout for this valuable midweek pot and the vote goes to HEAVEN'S GUEST, who ended a long losing run, despite of the drop back to 6f here last time. Richard Fahey's eight-year-old remains fairly treated on his best form after a 2lb rise and will relish the step back up in trip. Likeable front-runner Swift Approval looks the pick of the Stuart Williams pair, while recent C&D scorer Amazour has plenty more to offer. Hat-trick seeker What's The Story is expected to go close again, while the handicapper has given My Target a chance and he's another worth a market check.

ATR VERDICT: STONE OF DESTINY made a winning debut over 6f here last month and it is interesting to see David Simcock pitch him into this Fast-Track Qualifier second time out. He's seemingly held in high regard, is expected to improve for the drop back in trip, and he has Jamie Spencer in the plate once more. 103-rated Roger Varian inmate To Wafij makes plenty of appeal on his Molecomb third, while Sirenia Stakes runner-up Corinthia Knight must also enter calculations.

ATR VERDICT: CASEY JONES was off the mark at the first time of asking when scoring over 7f here earlier in the month and is expected to build on that performance now granted this additional furlong. Kripke is improving between runs and could feasibly take another forward step now venturing beyond 7f for the first time. The pick of the remainder may be Hugo Palmer's Lovely Approach, who is expected to give a good account first time out.

Long Handicap: Newmarket Warrior 8 - 6

ATR VERDICT: LOST AT SEA went down by a head over track and trip when last sighted and should remain competitive following a 3lb rise, so is considered the most likely winner. Ifubelieveindreams showed this mark isn't beyond her when beaten by under a length at Lingfield in November and could be tough to keep out of the frame. It will be interesting to see if a drop in grade can revitalise Glory Awaits, who held his own off higher marks in stronger races on turf last summer.

ATR VERDICT: ATHOLLBLAIR BOY went down by just a head over 6f here last week but is expected to go one better now tackling this longer trip. Hitman is 4lb higher than when signing off his turf campaign with a victory at Redcar and is worth a market check, though with the benefit of a fourth over 1m4f here to his name three weeks ago, Archipeligo may emerge as a bigger danger, providing he's not outpaced over this much shorter trip.
