**ATR VERDICT:** ENTERTAINING BEN has been in good order the last twice, including when third here over course and distance last time, and despite a further 2lb burden from the assessor the key clue to his chances comes with the booking of Silvestre De Sousa in the saddle. Spanish Star was beaten less than a length at Salisbury last month and is dangerous off just 1lb higher, while track and trip winner Sandfrankskipsgo and Hurricane Alert are others to consider.

**ATR VERDICT:** It is interesting that Luca Cumani's STORMY ROAD steps straight up to a mile having run with credit when second over six furlongs on debut. The Gale Force Ten filly, who is a half-sister to Cesarewitch winner Leg Spinner, is sure to appreciate the step up in distance and it would be no surprise should she build on her Newmarket bow. Al Mortajaz has been consistently going close and should appreciate this test, while Loving Pearl has to be respected on what she has shown so far.

**ATR VERDICT:** Course and distance winner IBALLISTICVIN, who has been running consistently well of late, would arguably have been in the winner's enclosure if not squeezed for room and coming to grief at Lingfield last time and if none the worse for that altercation, he could gain compensation here. Pour L'Amour is sure to be thereabouts on current form and has finished second over track and trip off 1lb higher earlier this season. Betsalottie and Zoffany Bay, who has the assistance of Silverstre De Sousa, could also get involved.

**Top Tip:** IBALLISTICVIN (1)

**Watch out for:** POUR L'AMOUR (4)

**ATR VERDICT:** BREXITMEANSBREXIT has been given plenty of experience so far and having placed in her last two outings, now campaigning at distances around 10 furlongs, can go one better to get off the mark. Rocksette has played a leading part in the majority of her outings, including twice here over track and trip, and she is interesting on her first start for Gary Moore. A career best from Atomic Jack could see the Nathaniel gelding also get involved.

**ATR VERDICT:** MAMILLIUS has a stellar record at this venue and the regular has not been disgraced here on three further visits since winning here off just 1lb lower than his current rating. Course-and-distance winner Wotadoll must be respected having gone close at Windsor last time, while Pontefract winner Walk On Walter may be able to bounce back to his best back down in trip and returning to turf.

**ATR VERDICT:** Dream Catching was slightly disappointing when sent off favourite at Ffos Las, looking to build on his useful Newbury run the time before. Therefore DUSTY makes more appeal following a useful run behind a runaway winner at Salisbury and could make a 1lb lower mark count here. Mr Gent is 1lb lower than when second at Kempton, when producing his career best, and could be another to play a part.

**ATR VERDICT:** David Loughnane's gelding LORD MURPHY has gone close the last twice and as he remains on a mark just 3lb higher than when last winning, he should be on the premises once again. Mr Andros was beaten just a neck last time at Wolverhampton and is interesting if the step up to a mile and a return to turf are in his favour. Shifting Star is just 1lb higher than when scoring over course and distance back in May and the track regular is another to note along with Narjes, whose rating continues to slide.

**Top Tip:** LORD MURPHY (2)  
**Watch out for:** MR ANDROS (4)
