**ATR VERDICT:** Breakfast and Captain Kissinger have to be given the utmost respect given their previous wining form over hurdles but the penalties they carry could leave them vulnerable. With that in mind, the preference is for KING D'ARGENT, who failed to win on the Flat but he performed really well in some competitive maidens and earned a rating of 75. Seaborough won over an extended mile on the level and is another to consider.

**Top Tip:** KING D'ARGENT (4)

**Watch out for:** SEABOROUGH (5)
