ATR VERDICT: Jumping errors cost Jester Jet in a Warwick Listed contest over fences last time, so it is no surprise to see her reverting to timber here. The return to three miles could be in her favour, but she may be vulnerable to a more progressive rival such as CULTURE DE SIVOLA, who has won three of her last four and the stable has been among the winners of late. If You Say Run is a useful operator who has placed in both Grade 2 and Listed company and will enjoy conditions, while Irish raider Magic Of Light won't have made the trip over to make up the numbers and is of real interest following a similar success on a raiding mission to Newbury in December.

Top Tip: CULTURE DE SIVOLA (2)
Watch out for: MAGIC OF LIGHT (4)
