ATR VERDICT: This is likely to revolve around THOMAS DARBY, who has already claimed success in both bumper and hurdles company and looks too good for this field. Second and third in two hot events at Ascot and Kempton recently, the six-year-old can prove too strong for War Brigade, who won a modest race at Market Rasen last time, and Blue N Yellow, who could find improvement now with Tom George following a 227-day break.

Top Tip: THOMAS DARBY (1)

Watch out for: WAR BRIGADE (2)
