ATR VERDICT: SHANTOU FLYER was just a neck away from Cheltenham Festival success in the Ultima last season and was last seen running well for a long way in the Grand National. He makes his first start now in the colours of David Maxwell, with his enthusiastic owner in the saddle, and the nine-year-old could prove to be a cut above in this sphere, especially if a summer wind operation has had the desired effect. Double Ross' best days are perhaps behind him but he has enough ability to play a part at this level, while Cousin Pete was third in the Foxhunter at the Festival and the route to Prestbury Park starts here for Elizabeth Brown's 11-year-old, who opened his lungs in a Barbury point in December.

Top Tip: SHANTOU FLYER (5)
