ATR VERDICT: HEATHERDOWN had shown virtually nothing in three starts in novice company, but put those efforts firmly behind him when switched to handicaps at Kempton last time and can go one better than that runner-up finish. Geography Teacher failed to fire last time but is now just 2lb higher than when successful at Southwell last month, while Micronize was a good third at Chelmsford two starts ago so it might be worth forgiving him a poor effort here latest as the extra furlong should suit.

Top Tip: HEATHERDOWN (3)

ATR VERDICT: LORNA COLE has won two of her three starts in novice company, the latest of which came under a penalty at Newcastle. William Muir's filly had a 67-rated rival almost eight lengths back in fourth that day so a mark of 75 for her handicap bow might underestimate her. Dragon Beat went close in a four-runner event here recently and has claims off just 1lb higher, while Irish raider Annabelle Rock has to be considered on the back of her emphatic Dundalk success.

Top Tip: LORNA COLE (6)

ATR VERDICT: War Tiger ran a cracker over C&D on debut and was not disgraced at Newcastle last time. His turn will surely come soon, but KINVER EDGE could get the upper hand here. Charlie Appleby's gelding was beaten just over a length on debut at Chelmsford earlier this month and his trainer's horses usually come on for the outing. Gino Wotimean is interesting if continuing to improve, while support for newcomer Withoutdestination might be worth heeding.

ATR VERDICT: Sunshineandbubbles has filled third place on her last two starts and is evidently on good terms with herself, while Tagle took advantage of a falling mark to score at this venue last month but is up 4lb here. See The Sea is not the most consistent but is capable on her day, though preference is for SAJANJL. Simon Crisford's charge has been edging closer to a first career success and she could be tough to beat here.

Long Handicap: Sporty Yankee 8 - 0

ATR VERDICT: Fearsome goes in search of a hat-trick after a pair of wins over this trip at Lingfield, but a 4lb hike for his last success could swing the balance in favour of KASER. David Loughnane's gelding was beaten just a length into third over shorter here last time and shaped as though the step up in trip would suit. Thaqaffa was beaten just a neck by Fearsome last time and is 3lb better off here.

ATR VERDICT: Champarisi got within a neck of success at Newcastle last time and is respected, as is Brexitmeansbrexit, who has slipped to what looks a very handy mark. However, ICE CANYON was really impressive when putting clear daylight between himself and his rivals (Star Ascending third) here last time and a 4lb rise for that emphatic success might not be enough to stop him.

<p>ATR VERDICT: Inaam showed a smart turn of foot to score over 7f here last time and could be just as effective over this trip. A 7lb hike for his win does temper enthusiasm somewhat, though, especially with KUPA RIVER running off just 1lb higher than when beaten a nose over C&D last time. Roger Fell's charge could go one better here. Ahundrednotout was disappointing at Dundalk last time but the Irish raider cannot be ruled out considering the excellent form he showed in October and November.</p> <p>Top Tip: KUPA RIVER (8) Watch out for: INAAM (1)</p>

Man Of Verve has been holding his form well in two starts since winning over slightly further here in November, but preference is for TURN ON THE TEARS. Johnny Feane's mare's only win to date came at this track, but she was on the heels of the placegetters at Dundalk last time and could build on that back at Dunstall Park.
