A mere reproduction of that should be enough to see him go one better this time. Irish raider Lady Greta is of interest, while Farump and Bellepower, who also hails from the Emerald Isle, are others with claims.

TIMEFORM VIEW: FLOOD DEFENCE left the distinct impression that her turn is near when a close third over C&D on Boxing Day and, granted better luck in running this time, she could be the answer. Star Ascending returned to form when third to Ice Canyon over C&D last month and has a good chance of reversing the placings with that rival on these revised terms. He is next on the list ahead of Champarisi.

TIMEFORM VIEW: INAAM snapped a losing run when making a winning start for this yard here 19 days ago and, still well treated based on peak form despite going up 7 lb for that, he is taken to strike again. Kupa River doesn't boast the most healthy strike rate (1-18) but he went agonisingly close over C&D recently and is next on the list. If on a going day, Monumental Man should also have a part to play.

TIMEFORM VIEW: TURN ON THE TEARS took a step back in the right direction when fourth at Dundalk earlier this month and can belatedly add to her sole career win, which she gained as a 2-y-o back in 2015. The booking of Luke Morris is a plus and she's lurking on a dangerous mark. The consistent Big Bad Lol looks sure to be in the mix once more and he is feared most ahead of Man of Verve and Arrowzone.
