TIMEFORM VIEW: Plenty of depth to this hunter and it could be worth taking a chance on FULL TROTTLER to reverse placings from last year with Shotavodka. He's yet to run a bad race in this sphere and seems sure to give another good account on his return. Shotavodka is fit from points and has a bang in-form rider up. Village Vic must prove he retains ability now going into hunters but could be a class apart if so.

TIMEFORM VIEW: Some interesting newcomers and the betting should be revealing. BLAZER'S MILL gets the vote as things stand having chased home Birchdale, who won impressively on hurdles debut for Nicky Henderson last month, in a point last year. Piggy Winkle is another who makes plenty of appeal first time up. Sandown-second Thunderstruck sets a good standard.
