**ATR VERDICT:** IRISH TIMES is joint-highest rated in the field and posted his best effort yet when runner-up over this trip at Newcastle last month. There could be more to come from Henry Spiller's inmate and he is taken to go one better today, possibly at the main expense of Kellington Kitty, who hasn't been beaten too far the last twice, and Satchville Flyer, who filled the runner-up berth over C&D two starts ago.

**Top Tip:** IRISH TIMES (7)

**Watch out for:** SATCHVILLE FLYER (11)

**ATR VERDICT:** MAGICINTHEMAKING finished the race off strongly when scoring over 6f here last month, her second success at this venue, and a 2lb rise may not be enough to halt her now stepping back up in trip. Mochalov arguably produced his best effort yet when keeping on for a neck second over a mile here 10 days ago and, racing off the same mark, another bold late challenge looks likely from Danny Brock's mount. Pindaric was runner-up over C&D on his latest outing and completes the shortlist.

**ATR VERDICT:** NARALSAIF was a neck ahead of Little Miss Kodi when successful over this distance at Kempton earlier this month and despite meeting that rival on 1lb worse terms here, Derek Shaw's five-year-old can show her ability and come out on top again. The latter has since finished fourth over this track and trip and must be respected, with others to consider include Mick Appleby's versatile Secret Lightning and C&D winner Malaysian Boleh, who could appreciate the return to this distance.

**ATR VERDICT:** TOBEEORNOTTOBEE got embroiled in a tussle for the lead at Southwell which perhaps cost him last time out, but if unchallenged this time around then he could be capable of making all, just as he did at Newcastle when an easy winner in December. Antonia Clara was sent off favourite at Gosforth Park last time and the return to six furlongs could suit, while On The Line is considered on his first outing following wind surgery.

**ATR VERDICT:** CROESO CYMRAEG kept on well inside the final furlong when striking over 1m4f at Southwell, so it is hoped he can remain competitive now granted a stiffer test. Banta Bay rattled the crossbar in a similar contest over C&D last time and could be tough to keep out of the frame. The pick of the remainder may be Falls Creek, who improved for the step up in trip when landing the silver medal in a 1m6f Wolverhampton handicap last month.

Long Handicap: Baasha 8 - 6, Gas Monkey 8 - 5

**ATR VERDICT:** EXECUTIVE FORCE won with plenty in hand over 1m at Newcastle earlier in the month and is fancied to follow up under a penalty to complete a hat-trick. If this stiffer test stretches the selection's stamina then Baasha, a C&D winner off 4lb lower on his penultimate outing, could be waiting to pick up the pieces. A bold bid is also forecast from Bollihope, who has been in fine order over the extended 1m1f at Wolverhampton of late.

**ATR VERDICT:** CIRQUE ROYAL looks the pick of the Charlie Appleby runners on the basis that he's already had a run, and a good one at that. Beaten less than a length on his debut at Wolverhampton by a smart stable companion, who had won well at Lingfield the time before, that form looks strong and he can get off the mark at the second time of asking. Persuading makes appeal on pedigree and is noted, likewise Perique.

**ATR VERDICT:** ZORAWAR didn't have to work very hard to register back-to-back triumphs at Wolverhampton last time and David O'Meara's charge can complete the hat-trick while he's ahead of the handicapper under a 6lb penalty and evidently on good terms with himself. Hard Toffee is a C&D winner who should run his usual honest race, while chances are also given to Mullarkey and Caledonia Duchess.
