ATR VERDICT: Tanarpino was beaten at odds of 1-2 at Perth last time out and arrives with a point to prove following an absence of 236 days, while Petiville hasn't completed his last two starts and looks worth opposing once more. Blue Flight stayed on well to score at Ascot four weeks ago, but that form looks questionable and MY OLD GOLD is taken to strike. A gutsy scorer at Wetherby six weeks ago, she won with more in hand than the winning margin suggested and a 4lb rise doesn't look overly harsh.

Top Tip: MY OLD GOLD (3)

Watch out for: BLUE FLIGHT (2)
