**ATR VERDICT:** Brian Ellison's Gold Cup candidate DEFINITLY RED looks to complete his Cheltenham preparations by taking care of Stuart Coltherd's veteran Captain Redbeard. The 10-year-old has been as good as ever this season, landing both the Charlie Hall and Many Clouds Chase, and his class should see that he has no problem conceding weight to his rival on ground which should suit. The challenger is an admirable performer, but his jumping was scratchy at times in the Peter Marsh at Haydock and he will need to be at his very best to provide a stern test for the selection.

**Top Tip:** DEFINITLY RED (1)

**Watch out for:** CAPTAIN REDBEARD (2)
