**Notes:**

- **Jockey Colours:** Beige, pink cross belts and sleeves, pink and beige quartered cap

**Notes:**

- **Timeform says:** Much improved for new stable last term, winning 3 times, twice at this venue. Mixed bag from inflated mark this term and he’s pitched into a deeper handicap now. 

**Notes:**

- **Jockey Colours:** White, red epauletts, chevrons on sleeves, hopped cap

**Notes:**

- **Timeform says:** Racked up a quick hat-trick in September. Even better form when second in Naas handicap in November but unable to continue the good work since, held back by mistakes at Doncaster. 

**Notes:**

- **Jockey Colours:** Mauve and black (quartered), mauve sleeves, white cap

**Notes:**

- **Timeform says:** Improved again when following Leicester handicap win at Newbury in January, overcoming mistakes. Limitations seemingly exposed when fifth in the Beltersfield Hurdle and this is tougher. 

**Notes:**

- **Jockey Colours:** Red and yellow stripes, yellow sleeves, red stars, yellow cap, red star

**Notes:**

- **Timeform says:** Change to forcing tactics worked the oracle when an all-the-way scorer at Newbury. Made four from five upon arriving in Britain last season (including 2 Grade 1) and made the most of a good opportunity in the Timeform Morebattle Hurdle. Tough environment to make handicap debut in.
Jockey Colours: Orange, dark blue star, orange sleeves, dark blue stars, dark blue cap

Timeform says: Drawn a blank since landing a couple of novices early last season but he’s posted 3 good efforts in defeat this term, third in a valuable Ascot handicap over Christmas. Low-key effort at Haydock.

**Jockey Colours:** Orange, black star and star on cap  
**Timeform says:** Firmly on the up now, landing a maiden/handicap around 2m over the winter and progressed again when running-up in the Imperial Cup on Saturday. Effectively 3 lb lower, so he’s interesting. 💡 (Forecast 17.00)

---

**Jockey Colours:** Beige, pink cross belts and sleeves, pink and beige quartered cap  
**Timeform says:** Much improved for new stable last time, winning 3 times, twice at this venue. Mixed bag from inflated mark this term and he’s pitched into a deeper handicap now. 🤔 (Forecast 34.00)

---

**Jockey Colours:** White, red epauletts, chevron on sleeves, hooped cap  
**Timeform says:** Racked up a quick hat-trick in September. Even better form when second in Naas handicap in November but unable to continue the good work since, held back by mistakes at Doncaster. 🤔 (Forecast 81.00)
Improved again when landing 22f Leopardstown Grade 1 last month from Binh. Many are likely to contrive to meet the 22f Leopardstown Grade 1. A Grade 1 is not impossible. Back to winning ways in 3m Punchestown handicap hurdle last month, left clear last but still value for an improved showing. More to come from him. (Forecast 12.00)

Jockey Colours: Emerald green, yellow hoops, white cap

Timeform says: Fairly useful form when fourth sole start in France and better for yard debut when landing Grade 3 at Clonmel in February from Minella Indo, relating the step up to 3m. More to come from him. (Forecast 101.00)

Jockey Colours: Royal blue, pink star, armlets and cap

Timeform says: Didn't need to be anywhere near best to land the odds at Kelso in November but has struggled in a couple of Grade 2 races since. Back from wind surgery. (Forecast 51.00)

Jockey Colours: Red, white sash, royal blue cap

Timeform says: Progressive staying hurdler who won first 2 starts and ran a big race behind Lisanagar Oscar in the Prestige at Haydock last month. Could ruffle a few feathers. (Forecast 41.00)

Jockey Colours: Red and yellow stripes, yellow sleeves, red star, yellow cap, red star

Timeform says: Change to forcing tactics worked the oracle when an all-the-way scorer at Doncaster in December. Shaped quite well back there a fortnight later but off since and 4 lb out of the weights here. (Forecast 101.00)

Jockey Colours: Mauve and black (quartered), mauve sleeves, white cap

Timeform says: Improved again when following up Leicester handicap win at Newbury in January, overcoming mistakes. Limitations seemingly exposed when fifth in the Belfair Hurdle and this is tougher. (Forecast 29.00)
**Jockey Colours:** Purple, yellow diamond, yellow and purple diadomo on sleeves, yellow cap, purple diamond

**Timeform says:** Improvement has stalled after his second in Grade 2 at Sandown in December, never dangerous updated to this trip in Haydock handicap last month. Uphill task in first-time headgear. (Forecast 151.00)

**TIMEFORM VIEW:** Traditionally a treacherous race for favourites and with that in mind it could pay to side with the experienced DINONS, who won here in October and who is easily excused his latest run when bidding for a 6-timer. Birchdale, Commander of Fleet and Dickie Diver are among the many others with bags of potential who should feature. Stoney Mountain is one to consider at a huge price.

**Notes:**

- Winner of the Bovisa Chase on return from Native River before falling in the King George. Excels in the mud so gets his ground and could improve on his 2017 seventh.
- Has really come good over fences, winning the Punchestown and Irish Gold Cups
- Dominant winner of the Bovisa Chase on return from Native River before falling in the King George. Excels in the mud so gets his ground and could improve on his 2017 seventh.
- Doesn't win often but placed in Festival handicap as a novice and ran right up to his best when second in 3m Grade 3 handicap at Kempton last month, jumping well in front. Lacks the class for this.
**Jockey Colours:** Black, yellow triple diamond, diabolo on sleeves and diamond on cap

**Timeform Says:** Third in the 2018 RSA and even better this term, following in the footsteps of stablemate Native River when winning the Welsh National. Second to Frodon last time and this stiffer test in his favour. (Forecast 34.00)

**TIMEFORM VIEW:** NATIVE RIVER can become the first back-to-back winner since the legendary Best Mate. He showed great toughness when getting the better of Might Bite 12 months ago and looks ready to peak once more having not been seen in the best light in his 2 runs since. Presenting Percy, seeking his third straight Festival victory, looks the biggest danger ahead of the progressive Kemboy.

**Timeform says:**
- Disappointing when last seen under Rules in January but back on track in a point subsequently and can't be forgotten that he was a staying-on third in this last year. Shouldn't be dismissed. (Forecast 67.00)
- Returned to Rules racing with a creditable second in a hunter at Fontwell 10 months ago but hard to fancy on the back of being pulled up in a point earlier this month. (Forecast 151.00)
- Prolific winning pointer who is unbeaten under Rules and was mighty convincing success at Punchestown 10 months ago. Easy winner between the flags recently, he's enjoyed plenty of success in points. Big ask to make a winning return to Rules in a more competitive affair. (Forecast 126.00)
- A time trial winner for Nicky Henderson in his younger days and, more recently, he's enjoyed plenty of success in points. Not quite good enough to get seriously competitive in this race. (Forecast 126.00)
- A useful chaser at one stage and arrives in form from points but it's hard to know what he's really capable of these days. (Forecast 30.00)
- Point/hurdles winner who has found improvement since switched to hunters and completed a simple task with plenty in hand at Leicester a month ago. Faces a stiff task in this company. (Forecast 41.00)
- Was below his best in a point recently and has displayed on more than one occasion that he's not quite good enough to get seriously competitive in this race. (Forecast 7.00)
- Likeable, prolific pointer who followed a promising fifth in this race with a convincing success at Punchestown 10 months ago. Easy winner between the flags recently and looks sure to be thereabouts. (Forecast 126.00)
- Put up a career-best when winning a hunter last season but that's very much a standout effort and he failed to threaten Ucello Conti at Thurlow's on his comeback run. (Forecast 67.00)

Dual point winner who was progressive in this sphere last season but firmly
extended his winning run at Down Royal. New recruit, and useful staying
hurdler at best, who has the attributes to make a name for himself at the
top level.

Jockey Colours: Black, white cross belts, diabolo on sleeves

Timeform says: Excellent second in the 2018 renewal but he’s been a wide-margin winner in points prior to that, whereas this time round he’s not been seen since a moody display 10 months ago. (Forecast 29.00)

24 2P-111 UCELLO CONTI (FR) 26 11 12 - 0t Mr J J Codd G Elliot 147

Jockey Colours: Emerald green, dark green sleeves, dark green cap, emerald green spots

Timeform says: Lowered the colours of Sydney Paget in a point and unbeaten in 2 since switched to hunters, ultimately impressive at Navan last time but not totally convincing in the jumping department. (Forecast 8.00)

TIMEFORM VIEW: The way HAZEL HILL travelled and jumped before readily clearing away from a competitive field at Warwick really sticks in the mind and this 11-year-old, who is actually not fully exposed, looks to have all the attributes to make a name for himself at the top level. Stand Up And Fight should be well respected based on connections and Ucello Conti can play a big part if jumping efficiently.

2: STAND UP AND FIGHT (20)
3: UCELLO CONTI (24)

Wincanton (15.7f) in February, having a fair bit in hand at the line. Very much on the shortlist since.

Timeform says: Producing a performance he'd long since threatened. However, his error-prone ways have kept him out of the frame since.

**Notes:**
- Jockey Colours: Manon, beige disc, beige cap
- Timeform says: Progressive hurdler who has made a sound start over fences, making it 2 wins from 3 starts in small-field affairs. Room for improvement in his jumping but he's the type who will rise higher still. (Forecast 9.00)
- Jockey Colours: Light blue, white epaulettes, halved sleeves, red cap
- Timeform says: Posted career best when winning 13-runner handicap chase at Ascot (16.8f) in November. 5 lb rise fair and likely targeted at this since, but wouldn't want too much rain. (Forecast 21.00)
- Jockey Colours: Pink, grey and pink halved sleeves, grey cap
- Timeform says: Placed in this last year and potentially well handicapped now. Shaped as if retaining plenty of ability when fourth on return at Newbury. Let down by jumping both starts since, however. (Forecast 41.00)
- Jockey Colours: EMERALD GREEN & yellow HOOPED, Red cap
- Timeform says: Unreliable but better than ever in the summer, following up his Antree success with an equally impressive display at Uttoxeter. Below par last 2 starts, Pough, and others look better treated. (Forecast 43.00)
- Jockey Colours: White, red stripe, red sleeves, white armbands, red cap
- Timeform says: Excellent strike rate over fences, better than ever to score on Ascot return in November. Undone by a mistake here next time and then blown away by Cymame at Ascot. (Forecast 29.00)
- Jockey Colours: Emerald green, red cross belts, red and emerald green hooped sleeves, red cap
- Timeform says: Better than ever when winning a brace of handicaps at Worcester (2m) during the summer. Good second back from a break at Doncaster 2 weeks ago but jumping will be put to the test here. (Forecast 51.00)
Jockey Colours: Emerald green, yellow hoops, white cap

Timeform says: Took this race from a 1 lb lower mark last term, his jumping holding up, and producing a performance he'd long since threatened. However, his error-prone ways have crept back in this season.  

**Forecast 13.00**

**Jockey Colours:**
- Light green, dark green chevrons, red sleeves, white and red striped cap
- Yellow, purple hoops and armlets, hooped cap
- Emerald green, yellow hoops, white cap

**Timeform says:**
- Multiple winner in France who made it third time lucky for this yard at Wincanton (15.7f) in February,
- Tended to jump left, made all, went left and hit 8th, 1 length ahead, no chance with winner
- Kept track towards middle between 2, ridden on to lead, no chance with winner
- Held up well off the pace in rear, steady headway approaching closing stages
- Pulled out approaching 2 out, soon slightly outpaced, stayed on

### Timeform View:

CARTWRIGHT is in better heart than his form figures would suggest, and this prolific Flat stayer is unexposed over this sort of trip over hurdles. Stablemate Dallas des Pictons has been the subject of a big gamble in recent days and he’s clearly very progressive, but CARTWRIGHT looks the value play. Of the rest, Early Doors and NOT THAT FUISSE seem sure to go well.

**Jockey Colours:** Emerald green and purple (quartered), checked sleeves, purple cap

**Timeform says:** Headgear omitted and produced a big career best when opening his account in handicaps at Taunton a month ago. 10 lb rise understandable but this is a completely different assignment. **(Forecast 34.00)**

---

**BIG TIME DANCER**

**Red, stars, armbands and cap**

**Timeform says:** Very progressive in handicaps, seeing off a 9 lb rise with ease when following up in the Lanzarote at Kempton in January. Up a further 9 lb but he’s not dismissed lightly in current mood. **(Forecast 34.00)**

---

**Jockey Colours:** Royal blue and yellow (quartered), royal blue sleeves, yellow spots, royal blue cap

**Timeform says:** Maiden/novice winner in May and off the mark at the fourth attempt in handicaps at Taunton (19f) in January. Curls up late at Kempton in March but he clearly has the ability to compete. **(Forecast 26.00)**
