<p>ATR VERDICT: Corinto improved for the step up in trip to record an emphatic success over Market Rasen's 2m7f and the while the assessor has taken no chances in raising him 11lb, Olly Murphy's gelding has plenty of scope for further improvement. Flashjack has performed with credit on all three outings this campaign but appears in the handicapper's grip, whereas VIVE LE ROI has slipped slightly for struggling in much more competitive events and he will appreciate testing conditions more than Corinto.</p> <p>Top Tip: VIVE LE ROI (1) Watch out for: CORINTO (3)</p>
