**ATR VERDICT:** STEELY ADDITION is possibly flattered by his rating of 150 on the evidence of his latest start at Chepstow behind Now McGinty, but this represents an easier assignment with only one rival appearing capable of serving it up to him. Station Master got off the mark over fences at Huntingdon at the beginning of the month and is open to further improvement on just his fifth chase start. Minerfortyniner looks best of the remainder.

**Top Tip:** STEELY ADDITION (2)

**Watch out for:** STATION MASTER (1)
