Long Handicap: John Biscuit 9 - 11, Kayf Tiger 9 - 5

ATR VERDICT: LAMH AR LAMH drops in distance having won over 3m at Taunton last Tuesday, her form is by far the most consistent in the field and she is able to run off the same mark as last time due to winning a conditional jockeys' event. Bazarov has finished second on his last three outings and is respected once again, while a wind operation could see Cushuish improve on her handicap debut.

Top Tip: LAMH AR LAMH (15)

ATR VERDICT: ZANZI WIN was no match for Arch My Boy at Fakenham earlier in the month but he is likely to be suited by a more conventional track and can make it count on his second outing after a wind operation. Tiffin Top has form with the selection, having finished ahead of him at Taunton in December, but he bids to bounce back from a disappointing effort at Kempton, while By Order Of is an interesting debutant representing Tom Lacey.

ATR VERDICT: STEELY ADDITION is possibly flattered by his rating of 150 on the evidence of his latest start at Chepstow behind Now McGinty, but this represents an easier assignment with only one rival appearing capable of serving it up to him. Station Master got off the mark over fences at Huntingdon at the beginning of the month and is open to further improvement on just his fifth chase start. Minerfortyniner looks best of the remainder.

Long Handicap: Monet Moor 9 - 7

ATR VERDICT: TIGERALLEY just ran out of time to catch the winner when second in an extended 2m contest at Bangor on Saturday but compensation could await here over this longer trip. The 10-year-old looks versatile in terms of ground, and could prove too strong for Overawed, who was poor at Southwell last time but impressive when second at Chepstow back in January, and Lerichi Belle, who needs a market check on stable debut for Ian Williams following wind surgery.

ATR VERDICT: TIKK TOCK BOOM couldn't quite live with a potentially classy first two at Warwick earlier this month but ran well to finish third on just her second start of the season and looks capable of better still for Ian Williams. First-time cheekpieces and a return to better ground should suit this seven-year-old, and she can account for Same Circus, who looks nicely handicapped over hurdles, and Ruby Yeats, who did some good late work over an insufficient extended 2m4f distance at Plumpton when third latest.

Top Tip: TIKK TOCK BOOM (3)

ATR VERDICT: TALKTOMENOW has shown potential in his short career so far and could benefit from first-time cheekpieces and having Richard Johnson in the saddle. The five-year-old was second to the smart Getaway Trump in November and, despite failing to run his race the last twice, looks poised to bounce back here. New Quay should find this easier than recent assessments, while Ratfacemcdougall beat a subsequent Grade 2 winner back in December and is also noted.
