**Jockey Colours:**
- Straw, blue and straw quartered cap
- Beige, maroon cross belts, diamonds on sleeves, maroon cap
- Yellow, royal blue spots
- Black, emerald green star, emerald green cap, black star
- Pink, light blue star, armlets and stars on cap
- White, royal blue triple diamond, hooped sleeves, white cap, royal blue diamonds
- Orange, black spots, black sleeves, orange spots, white cap

**Timeform says:**
- Prolific winning pointer who maintained his unbeaten record under Rules when impressive winner of the Foxhunter Chase here in March. Will take all the beating.
- Enhanced an excellent strike rate with a smooth success at Newbury in March and just bumped into one at Stratford subsequently. Should give another good account.
- Formerly classy chaser who won twice in this discipline last season for Paul Nicholls and is 5-5 for current handler, namely a trio of points and a couple of hunters. Looks main threat to Hazel Hill.
- Overcame an early scare to make a winning Rules/hunter debut at Stratford in June last year and has won all 3 starts in points since. This asks for more, but he's open to improvement in this sphere.
- Temperamental sort who doesn't look the force of old on the evidence of his third at Chepstow in March. Tongue tie added to cheekpieces.
- Multiple point winner but ran to only a fair level back under Rules when third at Hexham last month. Others preferred.
- Showed improved form back in a hunter when close second at Catterick in March and has added to his impressive tally in points since, but likely to find at least a couple of these too strong.
TIMEFORM VIEW: HAZEL HILL maintained his unbeaten record under Rules with an impressive win in the Foxhunter here in March and should take all the beating. Virak looks the main threat.

Timeform 1-2-3:
1: HAZEL HILL (1)
2: VIRAK (3)
3: MASTER BAKER (2)
