**Jockey Colours:**

- Light blue, red triple diamond and sleeves, quartered cap
- Dark blue, pink sleeves, dark blue stars, pink cap, dark blue star
- Royal blue, light green hoops, white sleeves, white cap, light green stars
- Orange, yellow diamond, orange sleeves, grey stars
- White, blue chevron, armlets and cap
- Royal blue, yellow disc, white sleeves and cap

**Timeform says:**

- Made 3rd from 4 in hunters for current connections when chasing clear on bridle at Stratford 19 days ago. Very much the one to beat here if turning up in similar form.
- Landed a handicap hunter at Stratford last summer but well below that level in 2 comeback outings this year. Even a return to best unlikely to be good enough.
- Bettered any of his previous efforts under Rules when seeing off Delegate to win 4-runner hunter at Ludlow a month ago. Turned over at short odds in point since, though.
- High-class chaser in his prime but on the decline in recent years and remote third on his completed start in hunters this spring. First run for Richard Bandey.
- Fair chaser at his best in Ireland. Well held in pair of points for new connections and likely booked for another struggle here.

### Timeform Says

Village Vic: Very smart chaser at best. Lost his way badly in 2017/18 but did offer a bit of encouragement when returning from a year off to finish fifth in Newbury hunter last month. Could strip fitter now.
