Jockey Colours: Emerald green, yellow star, yellow sleeves, emerald green stars, yellow cap, emerald green star

Timeform says: Useful pedigree and duly stepped up on what he showed on 2-y-o debut when landing a Salisbury minor event (7f, good) 20 days ago. Remains open to improvement, but this is much tougher. (Forecast 41.00)

Jockey Colours: Red, black star, black sleeves, red diabolo, red cap, black stars

Timeform says: Largely acquitted himself well in listed/group company following debut success last season, and again when third on return in 6f Ascot Group 3 won by Calyx. Place possibilities. (Forecast 13.00)

Jockey Colours: Royal blue, white, stripeless, striped cap

Timeform says: Didn't do much wrong at 2 yrs and improved on second start of this season when defying top-weight in good style in 6f Newmarket handicap a fortnight ago. On that evidence, he's a Group-class colt. (Forecast 4.50)

Jockey Colours: Royal blue, white epaulettes, striped cap

Timeform says: Back-to-back winner at Windsor and York last summer before making the frame in couple of Group 2s. However, form dipped in latter stages of 2-y-o campaign and he lacks the scope of some of these. (Forecast 17.00)

Jockey Colours: Light blue, dark blue cross of lorraine and armlets

Timeform says: Multiple winning 2-y-o who was runner-up in 5-runner Group 3 at Kempton (c) in September. Failed to reproduce that form final 2 starts of 2018, though, and looks up against it here. Has been gelded. (Forecast 29.00)

Jockey Colours: Royal blue, white hoop, striped sleeves, white cap, royal blue star

Timeform says: Showed decent level of ability at 2 yrs and clear-cut winner of Bath novice on return last month. However, limitations seemingly exposed in Ascot Group 3 since and others possess greater potential. (Forecast 41.00)

Jockey Colours: Royal blue, white striped sleeves, white cap

Timeform says: Followed 2-y-o debut success with decent efforts in Group 2/listed company. Just edged out by a progressive type on return/handicap now at Sandown (5f, good to firm) and she's an each-way player. (Forecast 15.00)

Jockey Colours: Green, pink sash and cap, white sleeves

Timeform says: Looked good when landing pair of 6f minor events on AW towards end of last year. Close third from a tough draw on return in Chelmsford listed event and this well-bred filly should have more to offer. (Forecast 5.00)

TIMEFORM VIEW: Richard Hannon has saddled 3 of the last 9 winners of this and MOYASSAR is taken to enhance that record. As things stand, he doesn't hold Group entries, but judged on his authoritative display in a Newmarket handicap recently his career trajectory is taking him in that direction. Red Impression and Khaadem are both highly promising and rate the main dangers, while Kurious shouldn't be far away.

Timeform 1-2-3:
1: MOYASSAR (6)
2: RED IMPRESSION (12)
3: KHAadem (4)
