**ATR VERDICT:** Former Coral Cup hero Diamond King, once rated as high as 157 over hurdles, has been in fine form between the flags and warrants respect on his first start in this sphere but SAUSALITO SUNRISE is that one step ahead, having won a Hexham hunter chase last month, and he gets the vote for Olly Murphy and Alex Ferguson. The other three runners are respected, with Fakenham scorer Silvergrove possibly the best of them.

**Top Tip:** SAUSALITO SUNRISE (1)

**Watch out for:** DIAMOND KING (4)
