**TIMEFORM VIEW:** IVA GO landed very short odds at Beverley on her second start, then found the kitchen too hot in a York listed race 10 days ago. This looks much more her level, and she can get the better of Mecca's Hot Steps, who improved a bit on her second run, and Lady Quickstep, a winner on debut who was well down the field in the York listed race.

 Notes:

**TIMEFORM VIEW:** This looks particularly trappy, and it might be worth taking a chance on Ben Haslam's newcomer FORTAMOUR, a half-brother to a couple of useful winners. Lost In Alaska will need to take another big step forward and may well do so tried in a tongue strap. Diamond Shower didn't cost much, but is related to winners, and would have to be considered if the market spoke in her favour.

TIMEFORM VIEW: With credible opposition thin on the ground, JUNGLE ROOM gets the nod despite returning from a 10-month layoff. Indeed, he will be tough to beat on these terms if anywhere near concert pitch on debut for new connections. Much of Al Mortajaz's 2-y-o form reads very well in the context of this race, but it's been a struggle for him this season and the selection may have most to fear from Tizwotitiz.

TIME			SE WORDS won in the style of one well	aboad of bo	r mark on handica	n

**TIMEFORM VIEW:** WISE WORDS won in the style of one well ahead of her mark on handicap debut at Newcastle, therefore a 7 lb rise may not be enough to prevent her from striking again, assuming that she will prove equally effective on turf. Northern Society also earned a 7 lb rise for his recent success and merits respect, but Arishka, who just lost out when bidding for the hat-trick at Windsor, is feared most.

TIMEFORM VIEW: If there's a runner with the potential to be a lot better than their current mark it's surely AL MUFFRIH, who hasn't made it to the track that often, but he shaped well on reappearance at Newmarket 3 weeks ago and a hood may help him settle. Unlike several of these, Employer is proven over this trip and enters calculations, along with Society Red.

**TIMEFORM VIEW:** A chance is taken on DARK DEVIL, who arrives here on a long losing run but has dropped a long way in the weights (16 lb higher this time last year) and there were more encouraging signs from the 6-y-o when sixth behind Music Seeker at Nottingham recently. That said, Music Seeker has fewer questions to answer than the majority of these and is not passed over lightly, while Autretot also has claims.
